

SMS PRESENCE MOBILE

Attractive from all sides.

An ergonomic and flexible product that is easy to move and easy to install. Attractive and elegant on all sides, and thus able to be placed in the centre of the room. Perfect for large, heavy displays and touch-sensitive displays, due to the very stable, patented design.

The display can be locked with the accompanying locking screw for personal safety, or with a padlock (not included) which provides increased protection from theft.

The pre-factory assembly means that installation is easy and quick.

The design of the Presence series is, furthermore, protected. Maximum display weight: 120 kg. Finish: Aluminium/anthracite grey.
